Speech language and hearing : An asset across lifespan

Recording Consent Form

Indian Speech-Language and Hearing Association (ISHA) is observing Speech and Hearing Awareness Annals from 1st to 15th December 2020. In this regard, a variety of activities are being conducted such as open house and free online consultation, competition for students, webinars, panel discussions, awareness programs, messages from public icons, messages from renowned persons from the field of speech and hearing and success stories. Varied group of participants like students, teaching faculty, practitioners, allied professionals and public can attend these activities programs. We appreciate your contribution in imparting knowledge with ISHA members by sending us a 1 minute awareness video on any topic related to the field of speech-language and hearing addressing the public. In this context we request you to give your consent to share your awareness video/s on ISHA website and ISHA social media platforms so that it reaches public in more number.

Consent:

I, _____, provide my consent to share my awareness video on ISHA website and ISHA social media platform. I understand that the recording belongs to the Indian Speech-Language and Hearing Association (ISHA), Mysuru and/or its branches once submitted.
